Last Updated Tuesday, 23 December 2008

We are glad to notify everyone that, we had Shifted MBAM Definition Mirror to a setup that can handle load in better way than previous setup. So, we hope all previously occurred occasional errors will be sorted out in this new setup and more joy downloading MalwareBytes's ANTI-MALWARE definition updates from our mirror.

Go to [MalwareBytes's ANTI-MALWARE Download page](#)

thanks for everyone's interest and support to Security Wonks Community of websites,
